**RE: Waiver Request  
Land Disturbance Review Checklist for Application Submittal  
188 Lawrence Street**

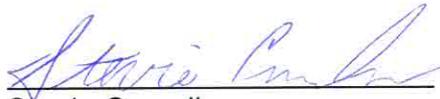

Dear Board Members,

This letter is being written in accordance with the Land Disturbance Review Checklist for Application Submittal dated October 2, 2014. Below is a list of additional items on the Checklist in which we are requesting a waiver from:

- *The location of any proposed stockpile locations.* – Since the proposed project requires fill, material excavated during construction will be utilized as fill material and placed where required.
- *A description of the project's phases as they relate to land disturbance, including a tabulated sequence of construction and a construction schedule which must include the inspection and maintenance of Erosion Control Measures for the project throughout the construction period and the timing of vegetation Clearing, transplanting or replacement in relation to other construction activities.* – The applicant respectfully requests a waiver from this requirement.
- *A detailed description of the type of fill to be used on site.* – The applicant is proposing to use only clean fill.
- *A narrative documenting the species and quantities of Specimen Trees and/or other vegetation to be removed or relocated within the project area.* – The applicant respectfully requests a waiver from this requirement.
- *If applicable, include a statement prepared by a certified arborist for the proposed relocation of any existing Specimen Tree explaining how said tree is to be relocated and maintained.* – The applicant is not proposing to relocate any existing Specimen Tree and therefore assumes that this requirement is not applicable.
