Framingham, MA – Framingham Public Schools will officially kick off the 2017 - 2018 school year on Wednesday, August 30, 2017. As parents prepare their children to head back to school and hit the books, we will be preparing the community by sharing school safety awareness tips on our social media pages. The Town of Framingham, Framingham Public Schools, Police Department, Fire Department and Public Works will be sharing information about school bus safety, distracted driving and walking, traffic safety in school zones, social media safety, etc.

Please be sure to like and follow all of our pages, and to share the information that we post so that Framingham starts the school year off on the right page:
