The City of Framingham Mourns the Loss of Planning Board Member Stephanie Mercandetti

Framingham, MA – With great sadness and grief we mourn the loss of Stephanie Mercandetti, who passed away on Sunday, January 14, 2018. Stephanie, a resident of the City of Framingham had been a member of the Planning Board since 2012 and was employed as the Economic Development director for the Town of Medway. Stephanie’s passing has left the Planning Board Members, residents, friends, family, municipal employees, and members of the Framingham community in great sorrow.

For the past six years, Stephanie Mercandetti has been instrumental in planning for Framingham’s future, always keeping in mind how each project would impact growth of the community and Framingham’s economy. Stephanie’s commitment and dedication assisted the Planning Board Administration in the streamlining of the permitting processes and launching several successful policies, projects and initiatives, including: Subdivision Rules and Regulations, Planning Board Rules and Regulations, Zoning By-laws, Complete Street Policy, and Project Review Guidelines. Stephanie’s devotion to her work and knowledge in her field was unparalleled; she was respected by those that she worked with and will be greatly missed.

“I am deeply sadden by the loss of Ms. Mercandetti, although I have not had the opportunity to work with Stephanie; I am aware of her contributions to Framingham. Stephanie was truly an amazing person who touched so many lives without their knowledge through her work. Our hearts and prayers go out to Stephanie’s family, and friends during this most difficult time. May she rest in peace,” said Mayor Yvonne M. Spicer.
