Guidance for Projects

Windows
Do not block windows with signs or other materials.

Lighting
Use subtle gooseneck lights to illuminate signs and building features.

Sign
Keep sign wording simple and clear. Use consistent lettering and limit the number of colors used to two or three.

Transom Sash
Avoid filling this space with an air conditioner, which can drip and harm the appearance of your store’s entrance.

Cornice
Central architectural element that tops the facade. Do not cover with signage.

Awning
Use sturdy fabric or canvas awnings. Avoid vinyl waterfall awnings, which deteriorate quickly.

Street Number
Make street number easy to read and locate over entrance to help customers find you.

Display Window
Make an excellent window display the centerpiece of your storefront. Avoid blocking display with signs.
