

SUBSTANCE USE DISORDER RESOURCES

SUPPORT FOR INDIVIDUALS WHO NEED HELP NOW

Massachusetts Substance Use Helpline

(800) 327-5050

Weekdays 8am-10pm

Weekends 8am-6pm

<http://helpline-online.com/>

The Helpline is the only statewide, public resource for finding licensed and approved substance use treatment and recovery services. Services are free and confidential and provide caring non-judgmental support to anyone who needs help. Trained Helpline Specialists will help you understand the treatment system and your options.

SUPPORT FOR FAMILY AND FRIENDS

Learn to Cope

Education, resources, peer support and hope for parents and family members coping with a loved one addicted to opioids or other drugs.

(508) 738-2027

www.learn2cope.org

MOAR

MOAR's mission is to organize recovering individuals, families, and friends into a collective voice to educate the public about the value of recovery from alcohol and other addictions

ACCESS TO NALOXONE (NARCAN)

Naloxone – also known by the brand name Narcan – is a safe medication approved by the Food and Drug Administration (FDA) to prevent overdose by opioids such as heroin, morphine, and oxycodone. It blocks opioid receptor sites, reversing the toxic effects of the overdose. Naloxone is administered when a patient is showing signs of opioid overdose.

You can get Naloxone at the following places:

Framingham Health Department

Framingham Health Department

31 Flagg Drive, Door 14

Framingham, MA

(508) 532-5470

Free training and Naloxone distribution for community members or businesses. Funded by the MetroWest Health Foundation.
