Framingham Eliminates 3.6 Positions

FRAMINGHAM, MA – Today, the City of Framingham eliminated 3.6 full-time positions from the fiscal 2020 budget. The reduction in force is based on business need by job category and seniority within those departments. The City eliminated positions in the Weights and Measures Department and on the administrative teams of the Fire Department and the Assessors' office. Of the eliminated positions, the administrative assistant on the Zoning Board of Appeals is vacant and will not be filled. The City will provide the separated employees with assistance.
