**Team Framingham Surpasses Halfway Mark to Accept Boston Marathon Applications;
Still Time to Apply**

Framingham – The Team Framingham Steering Committee announced that the application period for the 2020 Team Framingham program is at the halfway point. With roughly two weeks until the close, the Committee encourages all runners and charities to apply sooner rather than later.

The process for allocating the invitational entries, which the Boston Athletic Association will provide to Framingham for the April 20, 2020, Boston Marathon, is detailed in the [runner application form](#).

The process for selecting charity partners for the 2019 program is detailed in the [charity application](#).

“The Team Framingham Boston Marathon program has been extraordinarily successful these past six years. Team Framingham runners have raised more than \$486,000 for local charities,” said Jen Feaster, Committee Chair. “Furthermore 132 of the 133 Team Framingham runners have completed the grueling 26.2-mile Boston Marathon course. We expect a high level of interest from community members and among city employees for a coveted 2020 Boston Marathon invitational entry.”

The Committee encourages Framingham focused 501c3 charitable organizations to apply soon since the process may take a few days to complete. Please reach out with questions to TeamFraminghamMarathon@gmail.com.

Applications for runners and charity partners interested in participating in the random selection for the invitational entries are available on the City of Framingham [web-site](#) or at the Mayor’s Office in the Memorial Building.

The application process for runners and charities closes at 4 p.m. on **Friday, October, 25.**

The random selection, which is open to the public, will take place on **Tuesday, November 12,** at 6:30 p.m. in the Blumer Room at the Framingham City Hall.
