## **Framingham Public Works to Resume Citywide Street Sweeping Program**

**FRAMINGHAM, MA** – Starting the week of May 25, the Framingham Department of Public Works will resume its Citywide Street Sweeping Program.

Street sweeping will be completed in zones. First, the main roads in North Framingham will be swept. Neighborhood roads will follow shortly after that.

Street sweeping operations are weather dependent. All roads will have signage posted in advance of the sweepers entering the neighborhoods.

Please do not park in the street when signs are posted. Cars will be towed if obstructing street sweeping equipment.

Visit the [Street Sweeping Page](#) for anticipated schedule and maps, which will be updated regularly.

- **Who:** Framingham streets and roads
- **What:** Street Sweeping
- **Where:** Throughout Framingham
- **When:** Starting the week of May 25
- **Why:** To keep streets and waterways clean
