In efforts to fully explore all facts of a grievance and at all steps, the Division Director (i.e., the Director of Public Works), the Human Resources Director, and the Town Manager may conduct informal hearings, conduct group or individual interviews, review records, and perform needed research. A copy of the grievance and decision of this Step and all subsequent steps will be filed with the Director of Human Resources.

The Town Manager may decide to hold an informal hearing and/or conference at which time the grieving party shall be allowed to present evidence in support of his grievance. Such a hearing shall be held by the Town Manager within ten (10) days of the presentation of the grievance to it. The Town Manager shall issue a decision stating the action to be taken by it or its reasons, therefore, within ten (10) working days next following the close of the hearing.

If the grievance is not settled at Step 3 or if the Town Manager does not respond within the time limits set in Step 3, then within thirty (30) working days after the expiration of the time limits set out in Step 3, the grievance may be submitted to arbitration with the American Arbitration Association in accordance with the Voluntary Labor Arbitration Rules of that Association, or to the Mass. Board of Conciliation and Arbitration.

The decision of the Arbitrator shall be final and binding on both parties. The Arbitrator shall not have the power to amend, add to, or alter the provisions of the Agreement, but shall, within a reasonable time of his appointment, render a decision based on the evidence submitted by the parties, which decision shall be consistent with the provisions of this Agreement. Expenses, including required travel and other expenses of the Arbitrator, shall be borne equally by the parties.

## **ARTICLE XVII** **OVERTIME**

### *Section 1:*

All time worked over forty (40) hours in any week or after eight (8) hours in any one (1) day shall be paid for at the rate of time and a half (1½). For the purpose of computing the forty (40) hours, time lost because of paid sick time and vacation time shall be considered as time worked.

Compensatory time provides employees with paid time off rather than the traditional paid overtime policy. Compensatory time allows employees to use “Compensatory Time” with Department Head approval. The parties recognize that it is the responsibility of the Town to insure that adequate staffing exists to fulfill all job requirements. The accrual rate of compensatory time shall be the same as that used for the accrual of overtime payments with the difference to be that the hourly rate payment for overtime would be converted to compensatory time due the employee. The option to apply compensatory time in place of overtime payment is solely the employee’s. There will be a maximum accrual of forty (40) hours.

All overtime, except for call-outs (also known as “call-ins” or “callbacks”), must be approved in advance by a supervisor.

### *Section 2:*

Emergency work performed such as snow and ice removal, repair of water and sewer breaks, between 11:00 P.M. and 7:00 A.M. shall be paid at two (2) times the regular rate of pay. However, two (2) times the regular rate of pay shall not apply to shift work scheduled at least twenty-four (24) hours in advance.

There shall be no pyramiding of overtime.

*Section 3:*

Night and Saturday calls in all departments shall be rotated as evenly as is reasonably possible.

*Section 4:*

The employee on stand-by designated by the Department or Division Head shall be provided with an electrical signal device (beeper) for the twenty-four hour period, 3:00 p.m. one day to 3:00 p.m., the following day while waiting to be engaged. When engaged and responding to a call, such employee shall receive pay for a minimum of four (4) hours of time at time and one-half (1 1/2) his regular rate of pay for the first call each night or day. On subsequent calls in the same twenty-four (24) hour period, 3:00 p.m. to 3:00 p.m., he shall be paid at the rate of one and one half (1 1/2) times his regular rate of pay only for time worked. Effective July 1, 2011, stand-by hours worked between 11:00 P.M and 7:00 A.M., all day Thanksgiving and Christmas will be paid at a double time (2) times rate of pay. The provisions of this section apply to all Public Works Divisions.

It is understood that participation in the stand-by program is mandatory and not an employee option. A schedule of assigned stand-by days will be prepared at least two (2) months in advance providing employees with ample notice of when they must be available. It is also understood that from time to time an employee may have personal commitments which do not allow them to fulfill their stand-by requirement. In such instances, the employee must seek written permission from their Division Head to find alternate coverage for the period of time in which they are not available. It is the employee's responsibility to ensure that their assigned shifts are covered.

Any employee who is required to carry a beeper for one (1) continuous week shall ninety-five dollars (\$125.00) a week.

*Section 5:*

Call list for extra work and overtime work in each division shall be posted in an area where any or all employees have access to same.

*Section 6:*

Employees will not be required to report in on a call in or call back unless they are guaranteed a minimum of four (4) hours work or four (4) hours pay at time and one-half (1 ½) except if the call back is within one hour of the start time of their scheduled shift, and the employee is already at work, they will get paid for two (2) hours worked at the overtime rate. The aforementioned hours will be paid at the double time rate for call backs after 11 PM.

Employees shall receive double time for a minimum of four (4) hours when called back after 11:00 p.m.

*Section 7:*

It is understood that the nature of the work requires that each employee participate in the “on-call” program. At least one “stand-by employee,” the one with the least amount of overtime hours, who is participating in the “stand-by” program, will be first called when overtime is required within their respective Division. The Town acknowledges the need for additional personnel for safety sensitive functions.

*Section 8:*
