COVID-19 UPDATE

One Resident Tests Positive for COVID-19, and 54 People have Recovered;

Online Resource - Framingham Restaurant Options for Take Out, Delivery, and Outdoor Dining

- **One resident tests positive for COVID-19, and 54 more have recovered:** The number of people in the City who have tested positive for COVID-19 is 1,698. With 1,319 cases recovered and 100 fatalities, Framingham currently has 279 active cases. The Framingham Health Department contacts the people who were potentially exposed and the owners of the businesses or places of employment where the potential exposures occurred to inform and counsel them on next steps (contact tracing). In addition to the active cases, the Framingham Health Department currently is following 136 residents in quarantine.
- **Online Resource - Framingham Restaurant Options for Take Out, Delivery, and Outdoor Dining:** Many local restaurants have been doing take-out and delivery. Soon, some will be open for outdoor dining too. The City has compiled a list of Framingham restaurants, offering the different options [here](#). Restaurants that provide temporary outdoor seating will be updated as they go through the approval and inspection process.
