Reason for the Abandonment

[] Connect to Municipal Sanitary Sewer [] Construct a NEW onsite individual sewage disposal system
[] Other - Specify:

If the above listed property (where the sewage disposal system is to be abandoned) is being connected to a private or municipal sanitary sewer system, a copy of the sewer connection must be submitted with this application.

The following steps are required in order to properly abandon the existing sewage disposal system:

- 1. The septic tank shall be pumped of its entire contents by a licensed septic / sewage hauler.
2. The tank shall be excavated and removed from the site.
3. The bottom of the tank shall be opened or ruptured after being pumped of its contents to prevent retainage of water.
4. The tank shall be completely filled with clean sand, common fill or other suitable material approved in writing by the Board of Health.
