- **Since Wednesday, 21 residents have tested positive for COVID-19, and six more have recovered:** The number of people in the City who have tested positive for COVID-19 is 1,917. With 1,672 recovered and 121 fatalities, Framingham currently has 124 active cases. The Framingham Health Department contacts the people who were potentially exposed and the owners of the businesses or places of employment where the potential exposures occurred to inform and counsel them on next steps (contact tracing). In addition to the active cases, the Health Department is following 45 residents in quarantine.
- **Free, drive-through COVID-19 testing at Keefe Tech ends today, and the City is working to secure a new location for the free, drive-through program:** Free walk-up testing continues Tuesdays and Thursdays from 3-6 p.m., at Amazing Things Art Center on Hollis St., through Thursday, September 10. (Walk-up only. No parking available at Amazing Things.)
- **Community Hour Tuesday, August 25, at 5 p.m.: Unpacking the Department of Elementary and Secondary Education's and Department of Public Health's COVID-19 Guidance for Schools, Buses, and Community Recovery:** Mayor Spicer will be joined by Dr. Sam Wong, Director of the Framingham Public Health Department, to discuss the Department of Elementary and Secondary Education's and Department of Public Health's COVID-19 guidance regarding schools, buses and community recovery and what it means for the City. If people cannot attend and have questions, please email [kmcfalls@framinghamma.gov](mailto:kmcfalls@framinghamma.gov) with the subject line: August. 25 Community Hour.
