Please Enclose the Following Documents

- Completed "Swimming Pool Construction Plan Review Application." Please print legibly. Incomplete applications and missing documents may delay the review process.
- Fee: **\$100.00** made payable to the "**City of Framingham.**" All fees are non-refundable. Credit cards are not accepted at this time.
- Pool Sketch from a Massachusetts Registered Professional Engineer or Registered Architect
- Specification sheets for all System Components (such as Filters, Brominators, Chlorinators, and UV System etc.).

Approval of these plans and specifications by this Regulatory Authority does not indicate compliance with any other code, law or regulation that may be required – Federal, State or Local. It further does not constitute endorsement or acceptance of the completed establishment (structure or equipment). A preopening inspection of the swimming establishment with all equipment in place and operational will be necessary to determine if it complies with the Local and State Laws governing Swimming Pools.
