

## TO REGISTER FOR A VACCINE CLINIC

Vaccination is free whether you have insurance or not. However, if you do have insurance, please have your insurance card handy for registration.

**Please Note: This is a step-by-step example guide to book an appointment. Appointments are available on a first-come, first-serve basis. New appointments are being added regularly.**

1) Visit: <https://www.maimmunizations.org/>

2) Click on the blue button “Phase 1 and 2 Clinics”

3) Users have two options to locate a clinic:

- Searching by zip code/or name of location and input the mile radius (the closest appointments to your location will show up)
- Scroll page by page to see all sites and availability
