

**DEPARTMENT OF PUBLIC WORKS  
CAPITAL IMPROVEMENT PROGRAM**

110 WESTERN AVENUE • FRAMINGHAM, MA 01702

**VIRTUAL NEIGHBORHOOD MEETING  
NOBSCOT INTERSECTION IMPROVEMENTS PROJECT  
THURSDAY, MARCH 18, 2021, 6 P.M.**

**For Meeting Information:** <http://www.FraminghamMA.gov/Nobscot>

**Project Need:** The existing intersection is in poor condition, and has numerous geometrical, safety, and traffic problems. Private properties adjacent to the project are being redeveloped on the southeast and southwest corners. This project will improve vehicular and pedestrian safety conditions including, a widened intersection and designated turning lanes.

**The Edgell Road, Edmands Road, and Water Street (Nobscot) Improvement Project** includes pedestrian safety and access improvements, replacement of the existing traffic signals, roadway geometry modifications, streetscape and drainage improvements, ornamental street lighting, sidewalk replacement, and new roadway pavement.

**Consultant:** VHB

**Contractor:** Baltazar Contractors, Inc.
