City of Framingham Annual Water Quality/Consumer Confidence Report

Framingham, MA - The City of Framingham's Department of Public Works (DPW) is proud to share the 2020 Consumer Confidence Report about the City's drinking water. This report was compiled collaboratively by the Massachusetts Water Resource Authority (MWRA) and the Framingham Water Division.

Highlights in this year's report include:

- Information about MWRA's system
- Lead in Drinking Water
- Bacteria, Lead, and Copper Testing in Framingham
- Monitoring for Per- and Polyfluoroalkyl Substances (PFAS)

View this year's report online [here](#).

Hard copies of this report have been mailed to all residents. Additional printed copies are available at the following locations:

- DPW Operations Center, 100 Western Avenue
- City Hall, 150 Concord Street, Room #213, DPW Administration, and Room #121, the Mayor's Office
- Main Library, 49 Lexington Street
- McAuliffe Branch Library, 746 Water Street
- Callahan Center, 535 Union Avenue
