Any license issued for the sale in any manner of any alcoholic beverages (a “**License**”) shall be issued on the condition of full compliance with these Regulations. The failure to comply with the Laws and other Ordinances or rules issued by the City and/or the Board shall constitute sufficient cause or grounds for refusing to grant the license, or for suspending, canceling, modifying, or revoking such license or permit already granted, in accordance with Article XIV herein. Any individual, organization, or company licensed by the Board pursuant to the Laws shall be referred to herein as a “**Licensee**”.

Any premises licensed by the Board pursuant to the Laws shall be referred to as the “**Licensed Premises**”.

The Manager of Record must be on the Licensed Premises at least forty (40) hours per week in the course of business, consistent with the permitted hours of operation. When the Manager of Record is not upon the Licensed Premises, the person in charge of the business must be an Assistant Manager or a qualified seller or server of alcoholic beverages registered with the Framingham Police Department and designated by the approved Manager of Record to have charge of the business in the Manager's absence. The Manager of Record shall be responsible for the operation of the business whether or not on the Licensed Premises. When the Manager of Record is not upon the Licensed Premises, a method

of contacting the Manager of Record promptly must be arranged so that the Manager of Record can be reached at all times by the person designated to be in charge of the Licensed Premises. The provisions of the first sentence of this subsection shall not apply to any Licensee holding a license issued under Chapter 138, Section 12 to a veterans' organization or to a Licensee holding a license issued to a club under Chapter 138, Section 17.

4. Failure of the Manager of Record to comply with this policy or to properly discharge the duties of manager may result in removal as Manager or suspension or revocation of the License as may be appropriate to the circumstances.

VI. Procedure for Obtaining Liquor Licenses

The applicant for a License of any type should submit a letter to the Board outlining the proposal with a completed application and include a request for a hearing with the Board. The applicant should request to be placed on the agenda and publish a public notice of the date selected for the hearing in accordance with Chapter 138. At a duly noticed public hearing, the Board will consider the application for a License and the input of any interested members of the public. The Board will then consider the application and respond in a timely manner to the applicant. The Board shall provide a copy of these Regulations to each Licensee at the time when they pick up their annual license. The Licensee shall sign a receipt to be maintained by the Board evidencing their receipt of a copy of these Regulations.

Pursuant to Chapter 138, Section 15A, where there are no premises actually in existence at the time the application for a License is made, the applicant shall file a plan showing the actual dimensions of premises which are to be constructed on which the License is to be exercised. A License granted under this provision shall be upon the condition that such License shall not be issued until completion of the Licensed Premises in accordance with the plan, and the decision of the Board as to whether the plan has been complied with shall be final. The Board may include as a condition of such License that the Licensed Premises be completed in accordance with the plan by a date certain or the License shall be deemed null and void. Said specified completion date may be extended by the Board in its sole discretion upon written request by the applicant submitted to the Board at least 45 days prior to the expiration of the initial anticipated completion date as stated in the License.

VII. Considerations for Approval of New License or Transfer:

The Board will consider any or all of the following that can be reasonably offered in support of a particular License application:

2. Subject to applicable zoning requirements, the applicant proposes an establishment that offers a regular forum for music and musicians to play and obtain exposure for their work.
3. The applicant offers variety, or uniqueness, in its proposed establishment or shop, in contrast to what exists in the City of Framingham at the time of the application.
4. The applicant demonstrates the elements for public need for the License particular location.
5. The applicant proposes an establishment that offers a substantial economic benefit to the City of Framingham.

6. 7. Proposals for off-premises retail establishments to be located in shopping malls or high-density retail areas, either as new Licenses or transfers, are discouraged if the applicant's proposed License application duplicates or is similar to Licensed Premises presently located in the area.

VIII. Modifications to Licensed Premises

Once a License is issued, no material physical changes to the Licensed Premises shall be made without the prior approval of the Board. For the purpose of these Regulations, a material physical change shall be considered a change in location or number of seats, location of bar, addition or reduction in square footage, or any other change sufficient to require a building permit from the City of Framingham.

IX. Transfers of License

Licensees may request that their License be transferred to a third party. A \$500 fee shall accompany each application for ownership or transfer of location. Applications for transfer of ownership or location shall be processed similarly to an original License application and the Board is not required to grant such transfer requests. Approval of a transfer of majority ownership further may be conditioned upon the proof of payment of all outstanding local, state, and federal taxes including, without limiting, the following: receipts showing remittance to the proper taxing authorities of sales taxes, excise taxes and withheld federal and state income taxes. Transfers of ownership to trustees in Bankruptcy, court-appointed receivers, or to assignees for the benefit of the creditors and those taking title or possession of the Licensed Premises by, through or under them will not be deemed to transfer or convey any rights to the license or the renewal or transfer of such license, unless provided by contrary superior law. Bona fide mortgagees in possession who are listed in the application as holding such interest shall be treated in the same manner as the original majority ownership license. A public hearing shall be required for any transfers of ownership or location, including, but not limited to transfers to mortgagees.

X. Distribution of Regulations

These Regulations, in their most updated form, shall be provided to all Licensees upon issuance of their License and, further, shall be regularly available at the City of Framingham Licensing Department and online at the City of Framingham Board of License Commissioner's webpage. These Regulations shall be appended to each annual license issued by the Board. The Licensee may not pick up his/her annual license until the Licensee has signed a receipt acknowledging that a copy of these Regulations has been received. A copy of the most updated Regulations shall be maintained on the Licensed Premises at all times and shall be available for inspection upon request.

XI. Filing Fees and Annual Licensing Fees

XIV. Penalties, Procedure and Structure for Violations of the Ordinance and Regulations

A. Purpose

The purpose of this penalty structure is to improve the ability of the Board to prevent alcohol abuse and violation of the Laws. This Article XIV will help to achieve reasonable uniformity in the imposition of penalties and to avoid confusion in the minds of the public, patrons, and Licensees due to a lack of understanding of the consequences of violating the Laws and License terms. This Article XIV is intended to empower the Board to consider the circumstances of each case and provide a mechanism by which Licensees can improve their compliance with the Laws in the future.

B. General Provisions

1. No Illegality on Premises. No Licensee shall permit any illegality to occur on the Licensed Premises, regardless of whether such illegality relates to the sale and service of alcoholic beverages. The Manager of Record shall at all times maintain order and decorum on the premises and in the immediately surrounding area of the premises and shall cooperate with City officials in ensuring safe and orderly facilities.
2. Reporting of Incidents. All violations of the Laws are to be reported to the Framingham

Police Department by the owner, Manager, Assistant Manager, or any employee of the Licensee that becomes aware of an offense involving the Licensed Premises within twenty-four hours of said violation unless the incident is serious enough to comprise public safety and needs immediate attention at which time Framingham Police shall be notified forthwith. Failure to report a violation involving the Licensed Premises constitutes a violation of these Regulations and will subject the Licensee to appropriate discipline in accordance with the procedure set forth herein.

3. Penalties; Generally. Penalties for offenses shall be in line with the City's general goals of protecting public safety and the general welfare. Penalties will also be imposed with the goal of preventing future offenses. A violation of these Regulations alone (rather than state law or the Ordinances) may give rise to the issuance of penalties pursuant to this Article to the extent permitted under law. The nature and severity of the penalties imposed will be decided according to the nature of the offense and the presence of mitigating or aggravating circumstances as further described herein. All offenses by Licensees will result in the imposition of a penalty of some degree. This will impress upon Licensees, managers, and servers their responsibility for ensuring compliance with these Regulations, for prevention of offenses and for compliance with the terms of licenses and the liquor laws of the Commonwealth.
 - a. Types/Categories of License Penalties. Penalties by the Board may consist of any one or more of the following as appropriate: (a) Revocation of License; (b) Suspension of License; (c) Modification of License; (d) Imposition of New Conditions on the License; (e) Mandatory Participation in Alcohol Abuse and Offense Prevention Programs; and/or (f) any other reasonable penalty, in the Board's reasonable discretion.
 - b. Penalty Guidelines. The penalty guidelines stated in these Regulations are intended to provide indication of the range of penalties the Board will impose if a hearing is held on any offense. The Board will refer to these guidelines by deciding whether to approve a negotiated recommended resolution.
4. Police Department Recommendation; Negotiation Procedure; Record Keeping. The Police Department is authorized to negotiate with any authorized representative of the Licensee the terms upon which the Police Department will recommend to the Board that an offense be resolved.
 - a. Any such negotiated recommended resolution must be in writing, signed by the Manager of Record or designated representative of the Licensee charged with the offense and approved by the Police Chief. The recommendation must include a statement detailing the facts determined in the Police Department investigation. The recommended resolution is not binding upon the City unless and until approved by the Board.
 - b. If the Police Department and the Manager of Record and/or an authorized representative of the Licensee cannot agree on a recommended resolution, the

- c. Police Department will make any additional investigation it deems necessary for a complete presentation of the facts and will file a written report with the Board.
 - d. The Board may consider, but is not required to accept, a negotiated resolution recommended by the Police Department. The Board is empowered to consider alternative penalties consistent with this Article XIV and the Laws.
 - e. The Police Department and the Board will maintain a public record of offenses and their disposition that will be indexed according to the Licensee, Manager or Assistant Manager, server and purchaser involved.
5. Notice to Licensee. Written notice shall be provided to a Licensee of an alleged violation of the Laws. The notice provided to Licensee may contain the Police Department's recommendation to the Board concerning the punishment for the alleged violation. The notice will include the date of the event giving rise to the possible disciplinary action, a description of the event, and a clear identification of the Laws that are alleged to have been violated as a result of the event. Said notice will also provide Licensee with the date upon which the Board will hold a hearing concerning the Licensee's alleged violation. A notice containing the above-mentioned information shall be sent to Licensee via certified mail return receipt requested no less than ten (10) days prior to the date of the hearing before the Board. Licensees are entitled to retain counsel to represent them at the hearing if they so desire.
6. Written Statement of Disciplinary Action. If the Board decides to take disciplinary action against the Licensee for a violation of the Laws, the Board will provide the Licensee with a statement of reasons why disciplinary action was taken against Licensee.
