This AGREEMENT, entered into by and between the Town of Framingham, of the Commonwealth of Massachusetts, a municipal corporation chartered by said Commonwealth, and hereinafter referred to as the “Town” and the Framingham Police Officer’s Union, “FPOU”, hereinafter referred to as the "Union".

WITNESSETH

NOW THEREFORE, in consideration of their mutual promises, the parties agree as follows:

ARTICLE 1
INTENT

Section 1.

It is the intention of the parties hereto to promote and improve the effective administration and operation of the Town’s Police Department and the well-being of the patrolman (regular, reserve and provisional); to establish a basic understanding relative to personnel policies, practices, procedures and matters affecting wages, hours, and other condition of employment; and to provide means for amicable discussions and adjustment of matters of mutual interest between the parties.

Section 2.

Nothing in the Agreement shall diminish the authority and power of the Civil Service Commission, the Retirement Board or the Personnel Board. In the event that any part or provisions of this Agreement is in conflict with any law or By-Law, such law or By-Law shall prevail so long as such conflict remains.

ARTICLE 2
BARGAINING AGENT

The Town recognizes the Union as the exclusive representative for the purpose of collective bargaining relative to wages, hours, and other conditions of employment, of all
employees (regular, reserve, and provisional), in the service of the Town Police Department but excluding the Chief and the Administrative Assistant of the Department and all ranking officers. The Town and the Union agree not to discriminate against employees covered by this Agreement on account of membership or non-membership in the Union.

**ARTICLE 3**

**MANAGEMENT RIGHTS**

The listing of the following specific rights of management in this Article is not intended to be a waiver of any of the rights of the Town not listed herein. Such inherent management rights shall remain with the Town except as they may be shared with the Union by specific provisions of this Agreement.

A) Among the Management Rights vested in the Town are the rights, in accordance with applicable law, to hire, promote, transfer, suspend, demote, discharge and to relieve employees from duty, consistent with applicable Civil Service rules and regulations.

B) The Town shall have the freedom of action to determine the methods, and means and the personnel for all operations, including the starting and quitting time. The Town must take whatever action is necessary to carry out its work in emergency situations. The Town shall select and determine the number and types of employees required and shall assign work to such employees in accordance with the requirements determined by the Town.

C) No employee shall be reprimanded, suspended, discharged or otherwise disciplined except for just cause. Just cause shall be interpreted consistent with G.L.C. 31.

**ARTICLE 4**

**NO STRIKE PROVISION**

It shall be unlawful for any employee to engage in, induce, or encourage any strike, work stoppage, slowdown or withholding of services of such employees.
ARTICLE 5
GRIEVANCE PROCEDURE

Section 1.
A grievance shall be defined as any dispute arising out of the interpretation, application, violation, or meaning of this Agreement, but shall not include any matter as to which an employee shall have the right of appeal or review under Civil Service Laws.

Section 2.
Nothing in this Agreement shall be so interpreted as to require the Union to process an employee grievance if the Union considers the grievance to be invalid or without merit. An attorney representing the Union may file a grievance for and on behalf of either the Union or for an individual officer or officers, providing the Union in accordance with its by-laws considers the grievance to be valid and with merit. If, at any step of the grievance procedure hereinafter set forth, the aggrieved employee decides to accept the decision rendered by a responsible official of the Town, the grievance shall be terminated. However, if the Union feels that significant issue of the general application still requires resolution, the Union may pursue the matter for a final determination as provided under the provisions of this Agreement.

Section 3.
Any grievance shall first be submitted orally by the grieving party to the employee’s immediate supervisor within thirty (30) days of the event upon which the grievance is based. The grieving party shall have the right to have a union representative present at the time of the submission of the grievance. If no satisfactory resolution is reached at this level within forty-eight (48) hours, the grievance shall then be submitted in writing to the Chief within fifteen (15) additional days of the occurrence of the event upon which the grievance is based. A written response must be given by the Town’s representative within fourteen (14) calendar days of receipt of this written grievance.
If no satisfactory resolution is reached at this level, the grievance may be submitted to the Town Manager. Such submission shall be in writing and shall be within ten (10) calendar days from the answer of the Chief. The Town Manager shall meet with the Union and give his response within ten (10) calendar days of said meeting.

Failure of the Town to respond at any step of this procedure within the time limits set forth shall be taken to be a negative response and the Union may proceed to the next step.

By mutual agreement, time periods may be extended.

If the grievance cannot be settled satisfactorily, at this step, it shall be submitted to arbitration as provided in Section 4.

Section 4.

A) When a grievance is not settled through the regular grievance procedure in Step 3 above, the Town or the Union shall have the right to request that it be submitted to arbitration. Such submission must be within fourteen (14) calendar days of the written answer (or due date of the written answer if not furnished).

B) Either party may request the American Arbitration Association to provide a panel of arbitrators from which a selection of a single arbitrator shall be made in accordance with the rules of the American Arbitration Association.

C) The decision of the arbitrator shall be final and binding upon the parties; however, he/she shall make no decision which alters, amends, adds to, or detracts from this Agreement.

D) Each party shall bear the expense of preparing and presenting its own case. The parties shall bear equally the cost of the arbitrator's services. However, if the arbitration hearing is held during the basic work week of Monday through Friday, the grieving employee, the employee's witnesses and the members of the Union's Grievance Committee (not to exceed three) shall be granted leave of absence without loss of pay while participating in arbitration proceedings.
ARTICLE 6
SENIORITY

Section 1.
The provisions of this Article apply to all questions of seniority except those arising under the Civil Service Laws, as to which question the Civil Service Laws and the rules and regulations of the Civil Service Commission shall govern.

Section 2.
There shall be a seniority list established. Employees shall be placed on such list in accordance with their date of first employment with the police department. In cases where more than one employee begins work on the same day, the order of appointment shall be governing. In the event two or more employees are appointed to the force on the same day, seniority shall then be based upon the grades earned by each on the entrance examination with the man having the highest grade being the senior. If such grades are tied or cannot be obtained, the employee’s academy score will govern seniority. If the academy scores are tied, seniority shall be based upon drawing of lots.

Section 3.
Shift assignments shall be determined by seniority with senior employees having preference. Employees shall bid for any line position on each of the three (3) work shifts once each year. Bidding shall take place during the month of January. Bids shall close at the end of the month. New shift assignments shall be posted by February 15. employee signing the notice who has the greatest amount of seniority shall be appointed to fill the opening. Failure to sign the notice within a seven (7) day period will waive any rights to the opening that a man with more seniority may have had at that time.

Section 5.

provided that the Chief may schedule other shifts as he/she deems them necessary. At the Police Chief’s discretion, there may be a “swing” shift which starts 1 hour earlier than the above-listed standard shifts and nothing herein shall be considered a relinquishment of the Chief’s right to schedule and assign work. Assignment to special shifts shall be equitably distributed and except in unusual circumstances shall not exceed thirty (30) days duration.

All employees, except those having special assignments or duties, shall have their shift arranged in such a manner that employees work five (5) days consecutively and then three (3) days off. This schedule is repeated – work five (5) days consecutively and then have three (3) days off, etc.

If the time exceeds one (1) hour, the officer shall be paid to the next one (1) hour held.

Section 6.

All officers shall have a thirty (30) minute lunch period. Within the confines of a thirty (30) minute limitation, such lunch period may be taken at any place of the officer's choice.

Section 7.

a. In the event that the Commonwealth of Massachusetts funds less than 50% of its approximate 50% share of payments made pursuant to G.L. c. 41 § 108L, the workday for members of the Framingham Police Officers Union shall be extended from 8 hours and 25 minutes to 8 hours and 55 minutes and no additional compensation shall be paid the officers for or in connection with the additional thirty (30) minutes worked per shift. Said workday shall be extended by adding fifteen (15) minutes to the beginning and end of the workday, and the weekly scheduled work hours presently in existence shall be extended accordingly and no additional compensation shall be paid the officers on a weekly or annual basis for or in connection with the additional thirty (30) minutes worked per shift.
b. In the event that the Commonwealth of Massachusetts funds only approximately half (50%) or more of its 50% share, but less than approximately 100% of its 50% share of payments made pursuant to G.L. c. 41 § 108L, the workday for members of the Framingham Police Officers Union shall be extended from 8 hours and 25 minutes to 8 hours and 40 minutes and no additional compensation shall be paid the officers for or in connection with the additional fifteen (15) minutes worked per shift. c. In the event that the Commonwealth of Massachusetts fully funds 100% of its approximately 50% share of payments made pursuant to G.L. c. 41 § 108L, the workday for members of the Framingham Police Officers Union shall revert back to the 8 hours and 25 minutes presently in existence.

d. The Town shall be obligated to pay overtime under the CBA only when an officer works in excess of the work hours as specified above, as extended by thirty (30) or fifteen (15) minutes per shift, as the case may be. The extension of the work day by 30 minutes or 15 minutes as the case may be shall not lower the CBA overtime rate for any officer, but rather, the CBA overtime rate will continue to be calculated on the basis of the work week in existence immediately prior to March 7, 2010. Nothing in the preceding sentence shall entitle any officer to payment or any additional compensation whatsoever for the additional 30 minutes or 15 minutes worked per shift.

- Bachelor's Degree $4,500.00 per year, divided by each pay period
- Master's or Law Degree $7,000.00 per year, divided by each pay period

The Town may elect to extend this benefit to officers hired in the future.

c. If for any reason the Town is legally unable to pay Quinn Bill benefits as set forth in Section 6.a. above because G.L. c. 41 § 108L is repealed, amended, or if the Town is excused from making payments under § 108L, the Town will, as a contractual commitment independent of G.L. c. 41 § 108L, pay a Town educational incentive to all qualified Framingham Police Officers who were eligible for Quinn Benefits as of September 30, 2009, the flat-rate amounts equating to that paid out in the prior year, with said annual amount divided per pay period, for all qualified Associate’s, Bachelor’s, Master’s or Law Degrees.

7. Neither the Town nor any office or official of the Town shall withhold the payment of wages of an officer for any reason without due process. This shall not be interpreted as expanding or changing the definition of "grievance" as it appears in Article 5, Section 1.

Any employee hired after July 1, 1993 must qualify under §108L in order to receive educational incentive benefits.

Any employee hired prior to July 1, 1993, may qualify for educational incentive benefits either under § 108L or under the July 1, 1991 contract provisions, but not under both.

At no time will an employee receive less money under Quinn than he/she would have received under the education provisions contained in the July 1, 1991 collective bargaining agreement.

9. Any employee that notifies the Chief in writing of his or her intended retirement two (2) years or more in advance of such retirement will receive a two year salary increase of seven-hundred and fifty dollars ($750). If the written notification is received one (1) year or more in advance the employee shall receive a one-year salary increase five-hundred ($500). If an employee fails to retire after providing such notification, the employee will be disqualified from using this benefit in the future and the Town shall be reimbursed for any such salary increases, within six (6) months of the original intended retirement date. The Town may recover such funds via payroll deductions in equal monthly installments.

10. Effective and retroactive to July 1, 2007, all employees now and hereafter with six (6) or more years of service but fewer than eight (8) years of service shall be moved to Step 5 of the salary scale.

case of officers who have transferred laterally from another city or town, from the original
date of hire as a full time academy trained police officer in such other city or town.

13. Effective July 1, 2014, any member of the bargaining unit who thereafter commences
his/her 25th year of service with the Police Department shall be eligible to receive a 2%

service with the Police Department. Each such employee shall receive an additional 2%
increase in his/her annual base salary on the date that such employee begins his/her 26th year
of service with the Police Department and an additional 2% increase in his/her base salary on
the date that such employee begins his/her 27th year of service with the Police Department.

Prior to ratification of the FY2013-FY2015 MOA and funding by Town Meeting,
employees may elect to receive sick leave buy back, as currently set forth by Article 26 of the
CBA, instead of the aforementioned base pay increases. Prior to ratification and funding, said
employees must notify the Aide to the Chief in writing of their election to participate in such
buy back and said election shall be irrevocable. Under no circumstances will an employee
who has not made an election prior to July 1, 2014 receive sick leave buyback payments and
no employee will receive both sick leave buy back and the aforementioned base salary
increases.

Article 29 (Longevity) of the Agreement between FPOU and the Town for July 1,
2004-June 30, 2014 shall be deleted in its entirety and unit members shall no longer be

Section 3.
The Chief, at his/her discretion, may reschedule temporarily any employee from his/her regular full shift to another full shift during which the training program is scheduled to enable the employee to take such training within his/her basic workweek.
ARTICLE 13
LEAVE WITH PAY

Section 1.
Personal Day Off

Employees shall each receive one (1) day off annually of their own choice for personal use without loss of pay. When requesting the personal day an employee shall not have to give a reason except to state that he/she is requesting a personal day. Whenever possible, the employee shall give at least two (2) hours notice prior to the start of the shift on which the absence is to occur.

Section 2.
Bereavement Leave

In the event of a death occurring in the immediate family or family of his/her spouse, that employee shall be granted a minimum of three (3) calendar days and a maximum of five (5) days off without loss of pay. "Immediate family" shall consist of spouse, mother, father, child, sister, brother, mother-in-law, father-in-law, step-mother, step-father, step-brothers, step-sisters, grandparents, or persons living in the immediate household.

Section 3.
Sick Leave

a. Employees covered by this Agreement shall be allowed sick leave with pay for non-duty related injuries or sickness accrued at the rate of one and one quarter (1 ¼) days per month (fifteen (15) days per year), accumulation unlimited. Accumulated sick leave shall be accurately computed for each employee. The amount of accumulation shall be based upon fifteen (15) days per year for the total years of service of each employee. Subtracted from that are the actual sick days taken by each employee during his/her years of service. An employee may use up to five (5) days per year of his/her accumulated sick leave to care for a member of his/her "immediate family" which, for the purpose of this section, shall consist of spouse, mother, father, child, sister, brother, mother-in-law, father-in-law, step-mother, step-
father, step-brothers, step-sisters or grandparents. The administrative controls set out in Section 3.b shall not apply to such use.

b. The Chief may require a physician’s certificate when an employee is absent for three (3) consecutive days or is absent on five (5) separate instances in a contract year.

The Chief may require that the certificate be from a physician designated by the Town. In such case, the Town shall pay for the examination and the report. If the Chief accepts a certificate from the employee’s physician, the employee shall pay for the examination and the report.

c. Properly reported job-related sickness or injury shall not be charged against accumulated sick leave. An employee disabled under the so-called heart or lung law who receives a medical determination that he/she will be unable to return to work shall apply for a disability retirement. In cases involving job-related sickness or injury, the Town may require an employee to be examined by a doctor of the Town’s choosing.

d. Effective July 1, 2014, once an employee accrues 200 unused sick days, his or her sick leave accruals shall cease unless and until the employee’s sick leave balance drops below 200 days. At the beginning of an employee’s eighteenth year of service, his or her sick leave accrual rate shall be reduced from 1.25 days per month to ½ day per month (6 days per year). The 6 days of sick leave per year that are accrued by employees at the beginning of the eighteenth year of service shall include the five (5) sick leave days set forth in Art. 13, Section 3.a. which can be used by unit members for family sick days. By way of example, if an employee during the eighteenth year or more of service uses 5 family sick days in a given year, the unit member would have only 1 sick leave day for the unit member’s personal use the rest of that year, plus any accrued days the employee has available.

Section 4.

Injury Leave

It is understood that light duty work is temporary work during the duration or partial duration of the police officer's injury. Light duty positions are not intended to be permanent. A police officer may not be required to participate in such light duty work until he/she has been out on injury or sick leave for at least thirty (30) calendar days. However, a police officer may voluntarily participate in such light duty work prior to the thirtieth (30th) day of such illness or injury. Such light duty work shall also not apply to police officers who are injured, and who have applied for superannuation, disability or accidental disability retirement benefits.
